

## SF7011

### Vertex FR Leather Metal-Free Chemical Resistant Boot

Composite Midsole • Fibreglass Toe  
Cap • High Abrasion Resistance

#### PRODUCT DESCRIPTION

The Tuffking Vertex is a true safety boot and a UK leader in the construction industry. This sleek light weight boot performs under the harshest conditions and will keep your feet insulated in the dead of winter and cool in the summer heat with our specialized TUFF-DRY breathable waterproof lining. Using our Xtra-Lite footbed system, this triple layered military grade memory foam offers comfort for rigorous hours spent on foot. Comprised of completely METAL-FREE material, this boot offers fibreglass toecap with Kevlar midsole for the lightest weight protection. The cushioned and energy absorbing dual density PU/Rubber sole creates an added layer of comfort for long wear. Made from the finest quality water resistant genuine leather upper, this waterproof boot will keep your feet dry in the wettest and most dire conditions.
